CITY OF GROSSE POINTE FARMS

TREE PLANTING PROGRAM

INSTRUCTIONS

If you are interested in having a tree planted on the boulevard (area between sidewalk and curb), you must have your request in writing, by October 1, 2010, to the Public Service Department, 90 Kerby Road, Grosse Pointe Farms, MI 48236.

Planting will begin in the spring of 2011. The City will do their best to comply with your request, but there are many factors to take into consideration to determine if a tree or certain type of tree can be planted at a particular location (i.e.: City infrastructures, other trees overshadowing area, overhead wires, room to grow, etc.).

Please be advised that the City will not plant the following trees:

Ash, Birch, Elm, Evergreen, fruit bearing, shrubs or Willow trees.

Also, temporarily we are not planting certain Maples or Oaks.

TYPES OF TREES PLANTED:

Miscellaneous trees:

Brandywine Maple
European Beech
Freeman Maple (Autumn Blaze)
Ginkgo Biloba – Autumn Gold (male variety)
- Maidenhair (male variety)
